Mr. Stanley J. Tracy
Commission on Government Security
441 "G" Street, N. W.
Washington 25, D. C.

Dear Mr. Tracy:

Along the lines of our conversation the other day, attached is a draft letter to the Chairman requesting an interpretation as to the Commission's intent with respect to aspects of its report which have been the subject of proposed legislation. I hope that this letter sets forth the problem adequately, and is worded in such a way as to make it feasible for the Commission to answer. If you feel any changes should be made, we will be happy to make them.

Many thanks for your courtesy and help the other day. I am going on leave ^{25X1A9a} from August 9 to September 2, and in my absence [REDACTED] (Code 143, Ext. 627), the Acting General Counsel, is handling this matter. I have asked him to check with you on whether this type of letter is satisfactory.

Sincerely yours,
